Dear esteemed colleagues,

We are very pleased and honored to inform you that the Assembly of the Republic of Albania is planning to host a Conference on “***Enlargement of the European Union and Albania’s Accession Process***,” to be held in Tirana, on **28-29 September 2026**.

The Assembly of the Republic of Albania will invite representatives of the Committees on European Affairs of the parliaments of the 27 EU member states (for bicameral parliaments, representatives from each chamber), the Western Balkan countries, the representatives of the European Parliament and the European Commission.

The Conference aims to present Albania’s progress in the accession process, address the challenges encountered, and identify areas where cooperation with the parliaments of member states and Western Balkan countries could be further strengthened.

The Conference aims, also, to contribute to strengthening inter-parliamentary dialogue on EU enlargement, promote the exchange of parliamentary experience and best practices in the field of European integration and reaffirm the role of parliaments in safeguarding and promoting fundamental principles and shared European values, in support of a credible, inclusive and sustainable enlargement process.

At this preliminary stage, this message serves as an initial notification and a formal “save the date.” We kindly ask you to share this information with the members of your respective parliamentary committees. Please be assured that further details, including the exact venue, draft agenda, and official invitations, be sent to you in due course.

We greatly appreciate your attention to this matter and look forward to receiving your feedback. It is our sincere hope to continue our close and fruitful cooperation with you in the coming period.
